

# THE MIRACULOUS VENUS TRANSIT

by Patricia Diane Cota-Robles

The Venus Transit of June 7-8, 2004, is being heralded as the astronomical event of the year, but the profound significance of this celestial alignment will far transcend the expectations of orthodox astronomy.

Of all of the 144 planets in the Galaxy of the Central Sun of Alpha and Omega, Venus and the Beings of Light evolving upon her have, by far, done the most to help the Earth out of our quagmire of pain and suffering. The perpetual love, assistance and selfless sacrifice the Beings from Venus have rendered on behalf of the evolutions of Earth, for literally millions of years, is beyond comprehension. This rare transit will be Venus, crowning glory in her service to Earth.

Venus is the planet of Love and Abundance. She is often called the Morning Star and the Bringer of Light. According to astrologers, Venus transits the Sun in an unusual series of 105- to 243-year cycles. These transits occur in pairs approximately eight years apart. This pair of Venus Transits will take place on June 7-8, 2004, and again on June 6, 2012. During the eight years the Earth is held in the embrace of the Venus Transits, we will experience an amazing transformation within Humanity and all life evolving here.

Venus will pass between the Earth and the Sun during this transit. From outer appearances, Venus will look like a small disk passing over the Sun. This will be a once in a lifetime experience for everyone on the planet since the last time this transit occurred was in 1874 and 1882. The entire Venus Transit will take seven hours. It begins at 9:13 p.m. PDT on June 7, 2004, or 12:13 a.m. EDT, June 8, 2004. Many people are referring to this Cosmic Moment as the starting point of the Permanent Golden Age.

As the Eclipse takes place, Suns beyond Suns will blaze the full power of their Light and Love into the heart of Venus. The Solar Logos from all dimensions of existence back to the very heart of All That Is will empower Venus in her monumental task of initiating a massive paradigm shift on Earth. This shift is destined to catapult awakening Humanity forward in the Light toward the tangible manifestation of Abundance, Oneness and Unity Consciousness.

Over the next eight years, the breathtaking wonder of this celestial event will bathe all life on this sweet Earth in the sublime essence and spiritual power of Venus, Divine Love and Supreme Harmony. As this sacred substance penetrates into every atomic and subatomic particle of life, the very glory of God will be unveiled, and Humanity will once again revel in the wonder of Creation.

As Humanity is lifted into the highest levels of Divine Intelligence, we will realize the Truth of the affirmation: ALL THAT MY FATHER-MOTHER GOD HAS IS MINE.

Love and Abundance will become the order of the New Day.

The spiritual substance of Light from the Heart of God contains the fullness of all existing things and is the quintessence from which all physical manifestations are brought into form. As the Divine Love and Supreme Harmony of Venus embraces each of us, we will be lifted up, and we will see with new eyes and hear with new ears. We will be freed from the illusions of lack and limitation, and we will be instilled with the dynamic power of Creation.

Due to the deep Love the Beings from Venus have for their sisters and brothers on Earth, they have selflessly volunteered to maintain and permanently sustain the incredible Light that will bathe the Earth during the Venus Transit. This Divine Gift of Love and Supreme Harmony will increase daily and hourly with every breath we take during the eight-year transitional phase of our Ascension into the 5th Dimension. Through Venus, merciful assistance, comfort, hope and peace will enter the hearts of Humanity once more.

As Humanity integrates this powerful Light from the Venus Transit, we will become conscious, empowered, self-generating centers of Light. There is no separation in Love. The Beings from Venus are offering us their hearts and their hands in this final stage of our Ascension. To every Lightworker who has responded to their heart's call, know that together we will remove the shackles of limitation and the shadows that have enshrouded the souls of Humanity for aeons of time.

*The Earth is Ascending in the Light! There is no turning back. And so it is. Thank you God!*
